

THE GULF SHORES GARDEN CLUB SCHOLARSHIP APPLICATION

The Gulf Shores Garden Club offers a \$1,000.00 scholarship to a graduate of Gulf Shores High School. To qualify, a student must attend an institution of higher learning. The field of study must be landscaping, forestry, agriculture, ecology, land management, botany, environmental science, wildlife, city (rural and urban) planning or other related area of horticulture.

Requirements for the Gulf Shores Garden Club Scholarship

All requirements must be submitted with this completed form for the application to be considered. Deadline for application is April 25, 2017.

1. High school transcript attached to application.
2. Letters of recommendation from two high school educators.
3. Resume of high school activities, community activities, awards and work experience.
4. One page essay citing how you expect to use your college education to positively impact your community.
